

TOM SHERMAN

KNOWLEDGE ENGINEER

PERSONAL STATEMENT

I have a passion for web development and want to leverage my skills to build amazing products. My peers have praised me for my top-quality communications skills and ability to balance multiple stakeholders to achieve the best results for all involved. I would be a committed, easy-going, and friendly addition to your team who always wants to learn more.

EXPERIENCE

KNOWLEDGE ENGINEER

Rainbird Technologies / August 2018 – Present

Delivering industry leading AI and automated decision-making solutions to multi-national clients.

- Working on agile projects to implement Rainbird's platform by building and integrating Rainbird models
